

## NEW ENTRANT BACKGROUND INFORMATION

Thank you for showing interest in becoming a registered chicken broiler producer in Manitoba!

Manitoba Chicken Producers recently made an exciting announcement that we will be accepting applications between October 10<sup>th</sup> and November 3<sup>rd</sup>, 2017 to become one of 6 applicants who will each have the opportunity to qualify, upon meeting certain conditions established by the Board, to become a registered chicken broiler producer and to receive a basic allotment of 30,000 kg of regular chicken broiler quota.

This allotment will result in a successful applicant being entitled to produce and market up to 30,000 kg of regular chicken broiler during a 7 week marketing cycle. The successful, qualified applicants will begin production and marketing on a schedule established by the Board over a 3 year span (2018-2020).
